Facts about our insurance services

The Financial Conduct Authority (FCA), the independent watchdog that regulates financial services in the UK, requires us to provide you with this document. Please use the information it contains to decide if our services are right for you. Please read it carefully.

ABOUT OUR COMPANY

Status Insurance Management Ltd trading as Status Global Insurance is a specialist insurance intermediary, authorised and regulated by the Financial Conduct Authority (FCA) in the United Kingdom to transact general insurance business. Our FCA Registration number is 305697. You can check this information on the FCA's Register by visiting the FCA's website at www.fca.org.uk or by contacting the FCA in the UK on: 0800 111 6768(Freephone) or 0300 500 8082 or from outside the UK: +44 207 066 1000.

OUR PRODUCTS AND SERVICES

We offer insurance products from several different insurers under all the above brands. However, we are not affiliated to any insurer, nor does any insurer own any shares in our company. Information about the products and the insurers who underwrite them is available on the Status Global Insurance website: www.statusglobalinsurance.com.

All the products we arrange are sold on a 'Non-advised' basis. This means that we do not provide any advice or recommendation regarding the suitability of the insurance for your demands and needs. Our websites and application forms (where appropriate) include information and questions to narrow down the selection of products available to you. It is your responsibility to read all the information provided (paying particular attention to the terms conditions and exclusions of any policy you are proposing to purchase) and then make your own choice on how to proceed.

THE DUTY TO GIVE INFORMATION TO INSURERS

All the insurance arranged by us is based on the information provided when answering the questions on our websites, statements of fact, application forms or other material documents. It is therefore important that all information given is complete and accurate and questions are answered honestly to the best of the knowledge and belief of the applicant. If you do not understand the question or the nature of the information required, please contact us or the broker/agent who is introducing the insurance to you. Failure to provide information or the provision of incomplete or inaccurate information may result in loss of cover or revised terms and/or premium or it may affect any claim that is made. If any information you have provided changes after you have purchased the policy and during the period of your policy, please provide us or your broker/agent with details.

INSURER SECURITY

Whilst we monitor the financial strength of all insurers with whom we place business, it should be noted that the claims-paying ability of even the strongest insurers could be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter.

A liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent.

CHARGES

We receive remuneration for our services from the insurer by way of a commission payment, which is a percentage of the insurance premium. Unless we tell you otherwise, when you take out or renew a policy through us, we do not charge any additional administration fee or charge.

HANDLING CLIENT AND INSURER MONEY

We hold all premiums, which we have collected for onward transmission to insurers, and premiums due to be refunded to clients by insurers, in Client Premium Bank Accounts, either as agent of the insurer or in a specifically designated Trust Account, all in accordance with FCA rules. For the purpose of some transactions, please note that client money may pass through other authorised intermediaries before the insurer receives it.

Client money received via our websites will be deposited with a UK clearing bank, the name of which is available on request. Please notify us immediately if you do not wish us to use this bank. Money paid to us in Cyprus will be held in a specially designated Client Premium Trust account, and will be protected by the laws applicable to Cyprus financial institutions. Other money paid to your agent/broker outside the UK may be placed by them in a non-UK bank account, and may not have the same protection as money held by us. Please notify them immediately if you do not wish them to manage your premium in this manner. Interest will not be paid to clients in respect of money held in client bank accounts.

CONFIDENTIALITY

All information provided by our clients is treated as confidential (even when you are no longer a customer) and only disclosed in the normal course of negotiating, arranging and administering your insurance. This may include disclosing information to insurers and service providers, such as claims handlers.

With the exception of the above and of any information we are required to divulge by law, for example: information requested by a court, a regulatory body, or information which is already in the public domain, we will not release information to any other party without your consent. We may also use the data we hold about you to provide you with information about other products and services which we think might interest you. Please let us know if you do not want to receive this information.

We are registered under the Data Protection Act 1998 and undertake to comply with the Act in all our dealings with personal data.

QUOTATIONS

Unless we tell you otherwise, all quotations provided are valid only for a period of 30 days from the date of issue.

PURCHASES

Purchases through our website are deemed to be made when validated on the website. Purchases can only be made by using a valid debit or credit card. If payment by card is declined Status Insurance Management Ltd and the insurer reserve the right not to honour your purchase. When a premium is paid in the local currency applicable in the country of residence, using a credit card held in a different currency, the card issuer may debit your account in currency of the country in which the card is held at the exchange rate applicable on the date of processing. We will not be responsible for any exchange rate differences or conversion charge, which may be applied by the card issuer.

DOCUMENTATION

Where purchases are made via our websites, the documentation will normally be delivered to you by email. This should be printed and, where appropriate, carried with you during any trip away from home. Our aim is to produce documentation and issue correspondence in a clear and understandable format. In the event of any uncertainty we would ask you to let us know immediately. We are always happy to clarify the cover provided.

You should check all policy documentation to ensure that the details are correct and the cover provided meets with your requirements. Any errors should be notified to us immediately.

All documentation is provided in English.

We will keep a copy of your policy documentation in our database. If you require a further copy, please contact the intermediary who sold you the policy or us at info@statusglobalinsurance.com and we will arrange for new documentation to be sent to you. There is no charge for this service.

All policies contain conditions and exclusions and excesses. It is your responsibility to review the document to familiarise yourself with these. Please note that a breach of a policy condition may result in non-payment of a claim.

CANCELLATION

All policies arranged by us give you the right to cancel the contract within a short period after purchase if you find that the policy does not meet your demands and needs, or you simply change your mind. This period is known as the COOLING OFF PERIOD. This right is a requirement of the Financial Conduct Authority in the United Kingdom. The length of the cooling off period will vary, depending on the product purchased, but will be a minimum of 7 days and, in most cases, is more. Please refer to your policy document for the length of the cooling off period relevant to that particular policy or email us on info@statusglobalinsurance.com for help. If you cancel in accordance with the terms of the cooling off period as set out in the policy of insurance issued to you, provided there have been no claims and no incidents which might lead to a claim, you will be entitled to receive a refund of the full premium paid.

If you wish to cancel at a later date, different insurers have different policies concerning whether they will refund a pro rata proportion of your premium. Please refer to the Cancellation Clause in the particular policy you wish to cancel and/or email us at info@statusglobalinsurance.com for more information and help. We do not make a charge for processing a cancellation request, however, there may be a charge imposed by the insurer.
