Facts about our insurance services

PLEASE READ THIS DOCUMENT CAREFULLY AS IT CONTAINS INFORMATION ABOUT OUR COMPANY AND THE SERVICE WE OFFER TO HELP YOU TO DECIDE WHETHER YOU WISH TO PURCHASE A EUROPESURE POLICY.

ABOUT OUR COMPANY

Status Global Insurance is a trading name of Status Insurance Management Ltd (SIML) and Status Insurance Agents, Sub-Agents and Consultants CY Limited (SIASACCL). SIASACCL is a wholly owned subsidiary of Status Insurance Management Ltd, a UK company authorised and regulated by the Financial Conduct Authority in the UK, registration number 305697, which can be checked on the FCA website www.fca.org SIASACCL is incorporated in Cyprus and authorised and regulated by the Insurance Companies Control Service (ICCS) in Cyprus. Our registration number is 5015.

OUR PRODUCTS AND SERVICES

We arrange and sell insurance products from two insurers: For UK and Gibraltar residents: Lloyd's Syndicate 4444, Canopus Managing Agents Ltd, Gallery 9, One Lime Street, London EC3M 7HA; and for residents of the EU, EEA and Monaco: Lloyd's Insurance Company SA, Bastion Tower – Floor 14, 5 Place du Champ de Mars/No. 5 Marsveldplein, 1050 Bruxelles/Brussels, Belgium. We are an insurance broker and have been appointed as Coverholder for the Europesure products. This means that we have authority to collect premium and issue policies on behalf of the insurer, but they continue to be responsible for underwriting and paying claims. No insurer owns any shares in our company. You should be aware that when sales are processed via our websites, we are acting on behalf of the insurer and not for the customer.

The Europesure products are sold on a 'Non-advised' basis. This means that we do not provide any advice or recommendation regarding the suitability of the insurance for your demands and needs. Our websites provide information about the products and we ask questions enabling us to provide quotations for the product benefits we can offer, which most closely reflect the information you have given us. It is your responsibility to read all the information provided (paying particular attention to the terms conditions and exclusions of any policy you are proposing to purchase) and then make your own choice about what you wish to purchase from the available options.

THE DUTY TO GIVE INFORMATION TO INSURERS

All the insurance arranged or sold by us is based on the information provided when answering the questions on our websites. It is therefore important that all information given is complete and accurate and questions are answered honestly to the best of the knowledge and belief of the applicant. If you do not understand the question or the nature of the information required, please contact us or the broker/agent who is arranging the insurance for you. If you do not provide some information or you knowingly provide incomplete or inaccurate information, insurers may reduce or change your cover and/or they may require a higher premium or it may affect any claim you make. If any information you have provided changes after you have purchased the policy and during the period of your policy, please provide us or your broker/agent with details.

INSURER SECURITY

Whilst we monitor the financial strength of the insurers for whom we act as a Coverholder, the ability of even the strongest insurers to pay claims could be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter. If an insurer becomes insolvent you may have to pay premium again to make sure you have cover with whoever continues to provide the cover.

CHARGES

We receive payment for our services from the insurer by way of a commission payment, which is a percentage of the insurance premium. Unless we tell you otherwise, when you take out or renew a policy through us, we do not charge any additional administration fee or charge. There is a charge imposed by the insurer if a policy is cancelled early. Please see more information relating to cancelling policies in the section headed "Cancellation" on the next page of this document.

HANDLING CLIENT AND INSURER MONEY

Customer premium in respect of residents of the UK and Gibraltar, which is collected on behalf of insurers, is held in a secure Insurer Premium bank account in the UK. Customer premium in respect of residents of the EU, EEA and Monaco, which we collect on behalf of insurers, is deposited into a Cyprus bank account in the first instance and then transferred into a secure Insurer premium bank account in a UK bank. Premiums which are due to be refunded to customers by insurers, is also held in an Insurer Premium bank account in a UK bank. The money is held in accordance with the Rules of the Financial Conduct Authority (FCA) in the UK. It is kept in a UK bank account as agent of the insurer, which means that once we have received it, it is deemed to have been received by the insurer.

For some transactions, client money may pass through other authorised intermediaries before the insurer receives it.

Following the withdrawal of the United Kingdom from the European Union, and in accordance with the European Union (EU) General Protection Data Regulations (GDPR), we are required to explain the risks of premium being held in banks outside the EU to residents of the EU.

Currently, The EU has not yet reviewed the security protocols in place at UK banks and other financial institutions and granted them "equivalence". Equivalence is confirmation that the security in place matches that of similar financial institutions in the EU. However, UK banks and financial institutions are regulated by the Prudential Regulation Authority (PRA) which is responsible for the financial safety and soundness of banks and the Financial Conduct Authority (FCA) which is responsible for how banks treat their clients and behave in financial markets. All financial institutions in the UK must also comply with the privacy regulations regulated by the Information Commissioner's Office. Before 31st December 2020, EU GDPR regulations had been taken into law in the UK and continued in place after 1st January 2021. During 2022 the UK Government is reviewing all laws relating to UK financial institutions and, once any changes are made, this may influence the EU decision relating to "equivalence". There is a risk that the EU may not confer equivalence on UK financial institutions and so your money and personal data may not be protected in the same way as it would be in EU financial institutions.

Please notify us immediately if you do not wish us to handle your premium in this way. However, this may result in us not being able to provide you with a Europesure insurance policy.

Other money paid to your agent/broker outside the UK may be placed by them in a non-UK bank account, and may have different protection to money held by us in a UK bank. Please note that premium paid to an agent/broker, rather than us, is not deemed to have been paid to the insurer until the agent/broker passes it to us. Please notify them immediately if you do not wish them to manage your premium in this manner.

Interest will not be paid to customers in respect of money held in Insurer Premium bank accounts

POLICIES PURCHASED VIA OTHER AGENTS

Where a policy of Insurance, has been arranged by us (meaning Status Insurance Management Ltd or Status Insurance Agents Sub-Agents and Consultants CY Limited or any trading name or brand name), but you have purchased the insurance via an agent, broker or intermediary, the arrangement between us and them is one of introducing business to us only. We have given them access to our websites in order that policies can be purchased, but this does not constitute or imply any agency or partnership arrangement between us and them. In the same way, where an agent, broker or intermediary sends applications to us for us to send on to an Insurer for underwriting purposes, there is no partnership or agency agreement between us and them. The agent/broker has no right to make representations on our behalf or to change the terms of any insurance arranged by us. They will, at all times, when talking, corresponding or discussing things with you, their customer, be acting as your agent and not ours.
